

Instructions for the preparation of posters

Posters will be displayed in the courtyard of the Faculty of Education and Psychology (Floor -1) in a single poster session scheduled for Thursday 8 September.

The person responsible for the poster must hang it up first thing on Thursday (between 8:30 and 9:00 am).

Presenters are asked to be present at the time scheduled for the poster session: Thursday 8 September between 12:20 and 13:30. During this session they will have to be next to their poster in order to answer any questions or resolve any doubts that attendees may have about their work.

Size

The maximum size of the poster must be DIN A0 (85 x 120 cm) vertical.

Title and authors

The title, the number of authors and their affiliation must appear at the top of the poster in a font size large enough for the rest of the audience to easily see the subject matter of the poster (and its authors) from a distance of 5-10 metres.

Mounting of posters

Please mount your poster on the panel assigned to you (each panel will have an assigned number). The material for mounting the posters will be provided by the organisation.

Posters must be mounted by 9:00 a.m. on Thursday 8 September and will have to remain hung until 19:00 p.m. on the same day.

For any further information, presenters can contact the Organising Committee by e-mail at: aealgirona@gmail.com

In this edition of the AEAL congress, for the first time, a prize will be awarded for the best poster. Some members of the scientific committee, based on scientific and graphic format criteria, will evaluate the posters presented.
